Our yearbook, CARANTOUAN, means "big tree," and is named for the Indian village that long ago was situated on top of Spanish Hill. The span of its years of existence is not known, but it is an established fact that Stephen Brule visited here in

1510.

ALMA MATER

(Tune: Fling Out the Banner, Let It Float)
Leiudocia Simonds Reiney '31

We'll sing thy praises, loud and strong,
For we are proudly of the throng,
That bow in love and loyalty
To thee, our glorious Waverly.

We'll strive to keep thy honor high,
Build up thy fame into the sky;
Thy Red and White, we'll make the sign
Of inspiration, pure and fine.

As willing servants of thy power,
We'll strive to strengthen it each hour,
And with our knowledge newly gained
Uphold thy well earned, noble name.

So hail, all hail our Waverly
We'll ever more be true to thee;
Our ALMA MATER and our Queen,
In everything thou art Supreme.

FOREWORD

The theme of this year's Carantouan is our Centennial--the people, their lives, and their progress through a century. In our yearbook we shall try to show some of the "landmarks" of Waverly's life from 1854, to this, our Centennial year.

The yearbook is a tribute to these people, past and present, who have made Waverly what it is today.

Edward Weinstein

THE TOWN CLOCK ERECTED IN
1874

DEDICATION

The Class of 1954 takes great pride in being able to graduate in a year that marks a century of progress for the community of Waverly.

Towering above the village, the town clock serves as a symbol of time spent by the citizens of Waverly in building this community. With each passing hour, they have learned to benefit by past experience and have turned many a dream into reality. Like time, progress in our community has marched on from the organization of an admirable school system to the completion of a modern hospital. Therefore we feel it very fitting to dedicate this year's Carantouan to the citizens of the village of Waverly, who have been responsible for the high standing of our community.

Robert Payne

Our Valley is very fortunate to be located in one of New York State's most scenic regions. One of the most beautiful views is that of the Chemung River Valley stretching below Waverly Hill.

This seems to signify, in this, our Centennial year, the timelessness of nature and brings us the realization that our community has moved steadily forward for the past one hundred years and assures us that it will keep moving on century after century.

OUR SUPERINTENDENT

MR. McCLELLAND TOOK OFFICE

IN 1937

To The Class of 1954:

The publication of your class annual in the year of our community's "Centennial Celebration" should have a special significance for you. It is not only the time to become familiar with the history and achievements of your home town during the past one hundred years, it should be the occasion for much self evaluation.

It is relatively easy to point out how much better the way of life is today, both in school and out, than it was a century ago. But it isn't quite so easy to sense that this progress is the result of great vision, much hard work and many sacrifices on the part of succeeding generations during this time.

We, who enjoy this heritage, must be sure that we are worthy of it. We can best do this by availing ourselves of the vast educational, industrial, professional, and civic opportunities all around us. Thus we will be enabled to contribute to the continued progress of our community.

You are about to graduate from high school and you are thereby taking the first step in fitting yourselves for effective citizenship in the world of today.

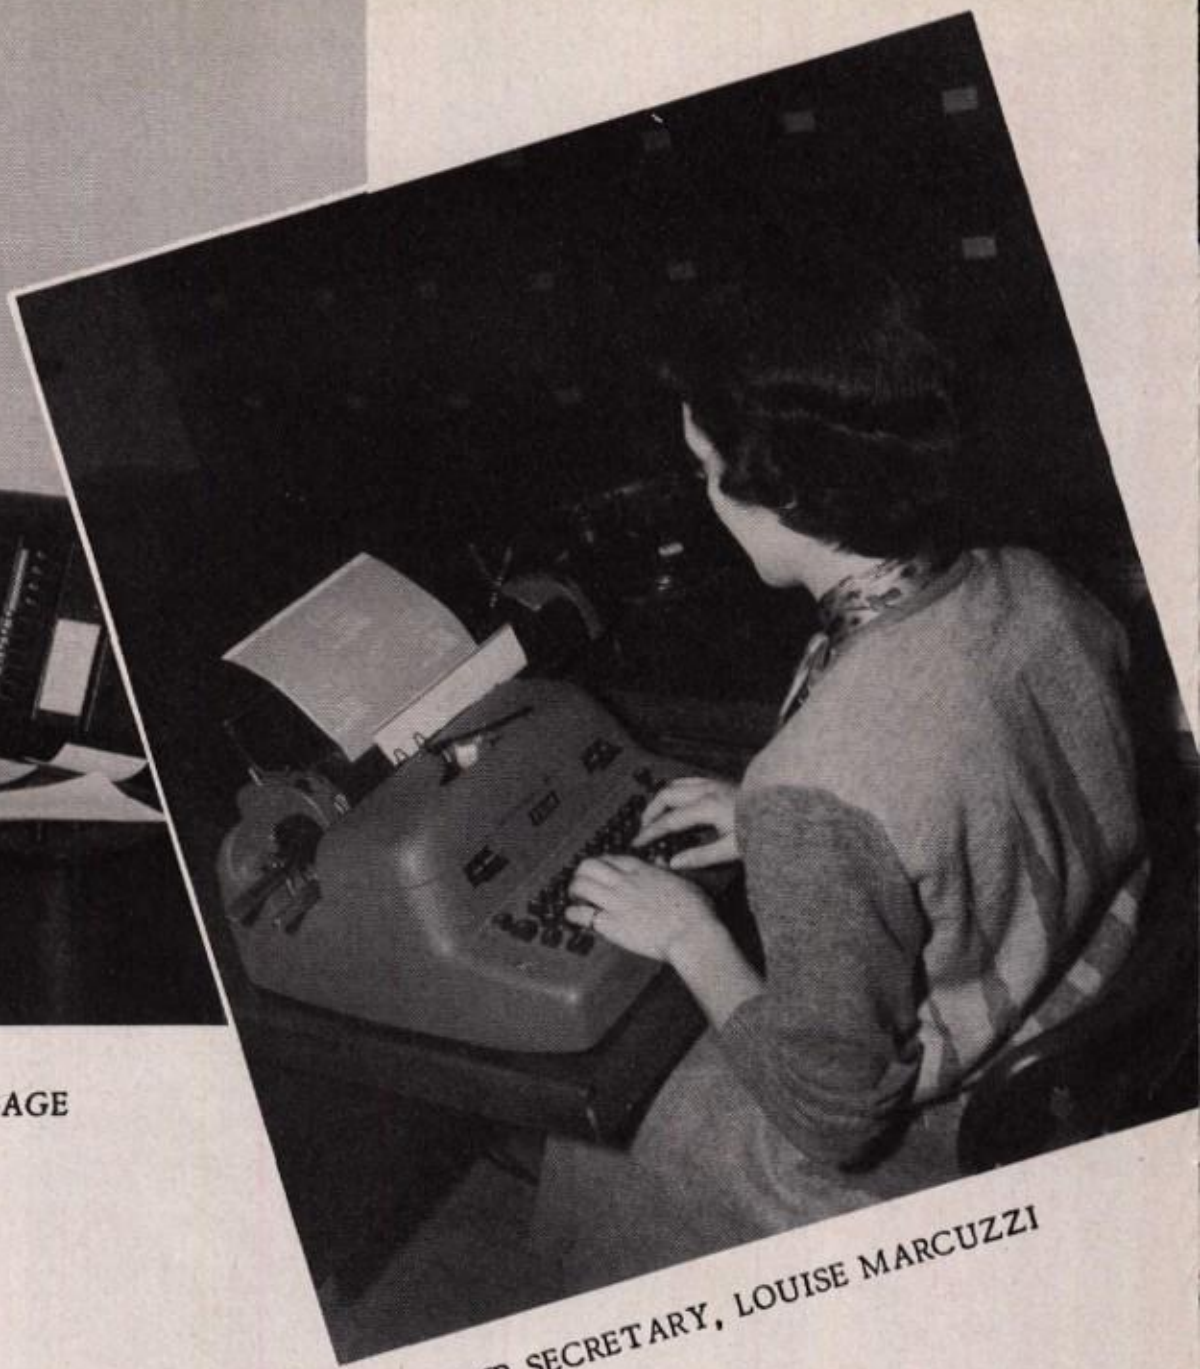

Congratulations and good luck!

Sincerely yours,

Don T. McClelland

A LOOK TOWARD TOMORROW

Ladies and Gentlemen, this is the 1960 reunion of the celebrated alumni of the W. H. S. Class of '54. As you probably already know, we have gathered together here on Waverly Hill in the ultra-modern restaurant designed by Dawn Abbott for the successful manager, Tess O'Brien. Although it is dark across the valley, Jim Marshall and Fred Van Nest, famed lighting directors for MGM, have combined talents to illuminate the valley for us tonight.

Glancing over the dining room, I see the officers of our class who are seated with friends. There is Don Backer, Secretary of Agriculture; Jerry Line, Secretary of the Treasury; and Rosemary Dimon, Vice-President of the U. S. and Secretary of State. & Bill - Pres. U. S.

More people are arriving all the time. Here comes an attractive young man about town, Ted Hartford, surrounded by a cluster of attractive young ladies. Every moment or so I hear inquiries about the outcome of the Indianapolis 500 where several of the class members, Bill Ayers, Bill Scott, Burton Kinney, Joe Hogan, are participating.

Vic Prinzi, head coach at Florida University; and Royce Hugo, head basketball coach at Princeton, are talking to Phyllis Wright, top buyer at Lord and Taylor's; and Sharon Line, Physical Education instructor on the Cornell campus.

I am sorry to note the absence of Sandra Ayers and Sue Ann Thornton who are presently on tour in Europe. Miss Ayers is currently featured at the Palace in London where she has been lauded by the King and Queen for her recitations. Also in London at this time is Charles Randall, leader of the Westminster Boys' Choir. Miss Thornton is in Paris with the opera company doing "Aida."

Seated in the far corner, I recognize a familiar group--Bob Payne, Republican Senator; Bill Line, national 100-yard dash champion; Tom Bustin, most eligible bachelor of the year; Tom Fitzgerald, new owner of the Uncle Tom Peanut Company; John Simonds, chef at Macy's; and Dick Button, national head of the F. B. I. They seem to be singing their most cherished song; yes, it is, folks--"Dear John!" (John Brown is now leaving through the Bus Boy's entrance.)

Everyone seems ready to eat and what a meal we have for them--prepared by the world famous chef, Dan Barton. Ed Carco

Now that everyone is seated, we will try to give you some idea of the celebrities here tonight. I see Martha Decatur and Shirley Gibbs talking over their current Broadway successes. We have just learned that both have been offered movie contracts. Listening to the conversation is the most famous star since Marlon Brando--Earl Bodine. He accepted his contract while bidding at a cattle auction. There is Sue Cramer, society matron, noted for her fabulous parties having a tete-a-tete with the honorable Philip Van Der Karr, distinguished Wall Street businessman. Gary Russell

"Doc" Schamel is seated to my left entertaining several attractive alumni with his jokes and tricks. Among the group I see Eileen Lorgan, lovely Powers model; Marilyn Mellon, captivating young Bowling Champion; Mary Lou Shaw, Bio-chemist at Bellevue Hospital; and Joan Leary, cut starlet for Warner Brothers. Ann Corbett

Dance music will be furnished later in the evening by orchestra leader, Dan Wasserstrom with Tom Ross and Bob Arcesi at the piano. Perhaps Ed Weinstein will get things started by showing us his latest step developed in his own renowned dance studio. Phil Costic

Coming toward me now is Sally Travis with a sketch of a brilliant work of art to be used on the cover of the "Saturday Evening Post." She and Don Hayden have made a name for themselves through their art work.

A familiar group--the Chemung boys: Bob Scott, Robert Hurlbut, Charlie Lynch, Bob Houser, and Harlen Dewey are drinking a toast to the health of the party--Jean Kirkwood. Henry McCall and Kenny Paul might both be lauded here for their fine dude ranch business on Dry Brook Road.

Donkey Blakeman, big right tackle for the Cleveland Browns, has put on a little weight. He's swapping stories with Al Geppert, lightning-fast half-back for the Rams. These two made outstanding plays this last season. Listening in admiration is flaming haired starlet, Winda Blair and Peggy Cartwright, solo clarinet player in the Firestone Orchestra.

Wouldn't you know! Rosemary Dimon and Nancy Fernquist are busy typing up the minutes of this great reunion. Carolyn Dove is still trying to round up people to help out at her newly opened snack bar. She is now approaching Carol Amrhein, matron at the Girls' Reformatory in Texas, and Nancy Owen, lady of leisure.

Some others I'll mention as particularly successful--Louis Wandell, manager of Jack Dempsey's restaurant; and Clarence VanHorn, ambassador to France; Ed Sullivan is chairman of the committee to make the shamrock the national flower. Charles Stauff is absent as his prize bull has a cold tonight, but Lynn Schock is here with his in its own private truck stall. Bill Bucholtz is wedging his way into the group now with the use of his newly acquired bodyguards, Jim VanSkiver and Tom Dailey.

Near the orchestra, I see Sheila Hanna and Carol Horton explaining to a small group about their new Child Care Course in Bellevue Hospital in New York City. Joyce Davis, one of the group, is, by the way, assistant (A2) bomb maker at the Los Alamos testing grounds. She cannot talk tonight at all because of top secrets, so Arlene Dobberstein is doing the talking for her.

The Honorable Stuart Schwartz seems to be quiet tonight. Perhaps he is meditating on his most recent brilliant theory. Jim Griffith, famed TV comedian, now welcomes Bud Waite at his table. Bud, as you know, has succeeded Red Buttons in his own show. Congratulations, boys!

Bruce Tappan and Brian Gillan are going over plans for a new type revolver--the kind without bullets. Hmmm! Big Bob Miller seems skeptical. Cyril Hedrick is leaving early on an expedition to Mt. Everest.

Mary Jo Armstrong, speaker for the night, is laughing at Pat Greenfield, bio-chemist in Bellevue City Hospital, as Pat causes a minor explosion by mixing two soft drinks. Beverly Halstead and Shirley Plaisted have won Betty Crocker's Cooking Contest by baking cookies without using Crisco. More power to you, girls!

Near the television set is Mary Jo Parente and a friend. She is a local vivacious socialite.

The automatic-locking doors on this establishment are due to close at 6:00 a. m. so, unlike our Senior year in school, we must turn in early this morning. Before we go, however, three cheers for the OUTSTANDING Class of '54!!

FOOTBALL

Again this year, the Waverly Wolverines rolled on to a successful season. The 1953 football team compiled a record of six wins and one loss, and for the second straight year captured the Southern Counties League championship. The "Wolves" defeated Painted Post, Owego, Towanda, Horseheads, Elmira Heights, and Athens while dropping their one game to Sayre. In seven games Waverly scored 220 points, while holding their opponents to a total of 43 points. (Seniors lost through graduation this year are: Fahey, Geppert, Simonds, Ross, Bodine, Hugo, Prinzi, Hartford, Blakeman, Chilson, Schamel, Hedrick, and Button.) Much of the credit for this fine season must go to Coach Toomey and his fine staff of assistants.

VARSVITY BASKETBALL

Congratulations to the Waverly High School Varsity team that did such a tremendous job during the 1953-54 basketball season. The team was confronted with two obstacles even before playing their first game. The first was the loss of such outstanding players as Fred Lincoln, "Stub" Terwilliger, Bill Creedon, and Bill Rolls. The second, was an unavoidable delay which cost many boys an invaluable week's practice. Just ten practices after the last football game, the boys, under the coaching of Ray Miller, played a game which will be remembered in this valley for years to come. Trailing Johnson City, a team classed out of our league, 20-17 at the half, Waverly bounded back to put on an even greater display of basketball skill. The score being tied 36-36 at the end of the fourth quarter, a five-minute overtime period was played. Waverly finally netted a crucial 3 points to their 2 and emerged victors with a score of 39-38. This game set the example of the type of team work which Waverly displayed throughout the entire 1953-54 basketball season. This kind of spirit was what won the fifth consecutive Valley Championship and clinched the class A Section Championship in the 1952-53 season.

JUNIOR VARSITY BASKETBALL

The Junior Varsity Basketball team followed the same schedule the Varsity played throughout the 1953-54 season and experienced many thrills due to trick shots and close scores. The local crowds were gratifying with their excellent support which led the way to high team morale and boosted the spirit of Waverly High School as a whole.

The Lettermen's Club is comprised of those persons who have earned their "W" in one or more of the major sports of the school. The membership reached a total of 36 when new members were initiated during an assembly in early November.

Officers of the club this year are: Victor Prinzi, President; Royce Hugo, Vice President; Jack Terwilliger, Secretary; Tom Ross, Treasurer; and Coach Miller, Adviser.

The main function of the club this year was to raise money for the purchasing of sweaters for the senior members. The Lettermen's Club also attempted to improve the student cheering section at basketball and football games by centering it in one particular part of the stands.

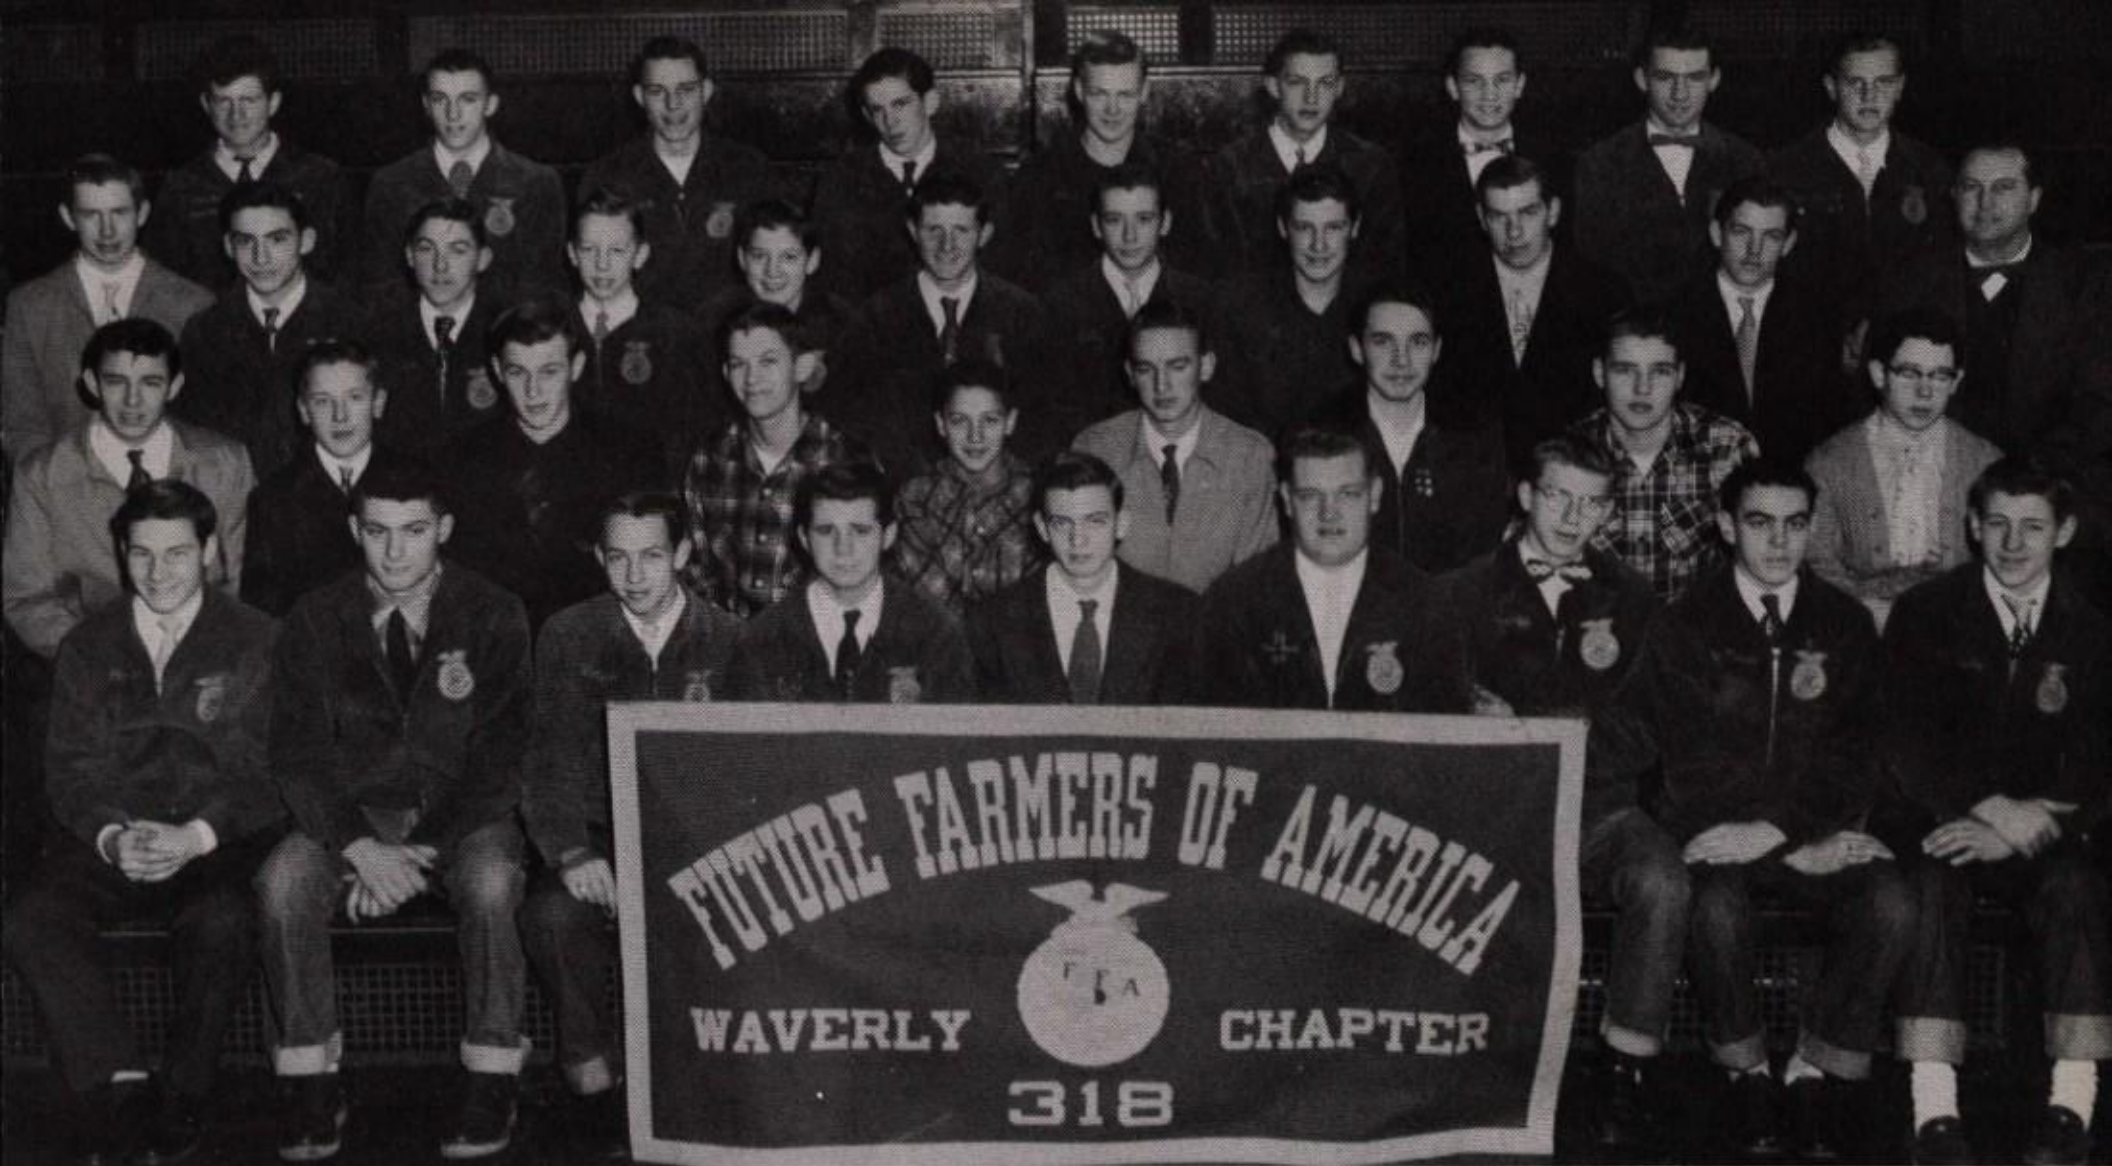

The cheerleaders, advised by Miss Reynolds, are a group of seven girls selected by the faculty and a limited number of students. The student body, under the leadership of these girls, maintains the spirit and morale of WHS and cheers the athletic teams on to victory.

The cheerleaders, however, do not confine their activities to the athletic field alone. During the year they sponsored refreshment sales in the corridors. The proceeds of these sales were used in the purchase of cheering jackets and flowers which were given the visiting cheerleaders.

This year the Board of Education gave the cheerleaders new uniforms of red corduroy dresses trimmed in white.

The Waverly F.F.A. won both the dairy and poultry judging contests at the Tioga County Fair and took part in other judging contests at the State Fair, Virgil Central School, Morrisville State College, and Candor Central School.

The members of the Waverly Chapter have taken trips to Loudon Hill Farms at Montrose, Pa., Buffalo stock yards; Purina Feed Mills, at Buffalo; Pennsylvania State Farm Show, at Harrisburg; Kasco Laboratories; Kasco Feed Mill; Cotton-Hanlon, at Odessa, N.Y.; Cornell Farm and Home Week; and farms of the surrounding area.

The F.F.A. raises money to finance their activities by selling football programs, Christmas cards, seeds, and by planting trees. They also sell the Ford Almanac, and cooperate in a crop demonstration.

The club had a supper and dance in February and a Parent-son Banquet in May.

Delegates were sent to the State F.F.A. meeting in Cobleskile, N.Y., in May.

This year the band also played for two college games, one at Cornell's Band Day and the other at the Ithaca-Alfred game which was played in our own stadium.

After the football season, the band changed to a concert band and played at basketball games. It put on its annual winter and spring concerts and participated in various festivals, including the county and state meetings in the late spring.

COLUMN CLUB

The Column Club, which meets each Tuesday, 8th period, compiles and edits the school news for the "Evening Times." Under the guidance of Mrs. Shafer each week the task of selecting and writing the news is up to the club members, for it is through this column that the public is kept in touch with many activities which do not find their way into the headlines. At the meetings, articles of interest are discussed, decided on for publication, and then assigned.

This is the tenth year that the club has been functioning and this year it has one of its largest staffs -- thirty-five members. Officers were elected early in the year as follows: President, Nancy Fernquist; Vice-President, Stuart Schwartz; Secretary, Gerriane Compton; Treasurer, Rosemary Dimon.

At the beginning of the year the Column Club initiation of new members took place. The initiates were blindfolded and sent through many obstacle courses.

During the early spring, the students of the three valley towns took over the publishing of the "Evening Times" with the aid of the regular reporters. This has been an annual project, which our club has undertaken for several years. It has proved to be a profitable and an enlightening experience for all participants.

LATIN CLUB

This year's Latin Club was one of the most active in the Club's 20-year history. The Club was also the one of the largest in its lifetime.

Fifteen new members were initiated in October, making a total of 27 active members. The initiation took place at the Waverly Glen.

The annual "Ides of March" banquet was held and the club closed the year with a picnic. Officers are: President, Sue Cramer; Vice President, Jeffrey Knapp; Secretary, Joan Leary; and Treasurer, Terrance Nailen. The advisor is Miss Corby.

OUR STUDENT COUNCIL

Our Student Council is a group of pupils chosen by their fellow classmen to represent them. This body meets once a week with a faculty member who acts as adviser of this group. At these meetings, the members try to cope with many of the problems facing the student body. This group also plans assemblies and co-ordinates other school activities.

The make-up of the Student Council consists of nine class elected members. Three of these nine are elected by the Senior Class, two by the Junior, and one by the Sophomore class. The three class presidents automatically become members of this group. In addition to these, there are homeroom representatives and a representative from every club and organization. Our Student Council, a member of the National Organization of Student Council, is one we all can be proud of!
